STUDENT'S INVOLVEMENT IN QUALITY ASSURANCE IN FINLAND

Suvi Eriksson
 University of Oulu
 Finland

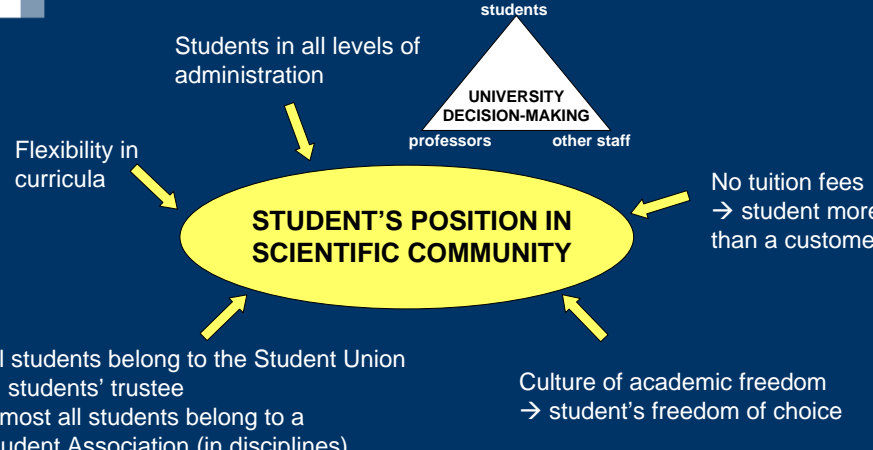

UNIVERSITY of OULU
 OULUN YLIOPISTO

Séminaire Amue "Evaluation des enseignements et des formations : une étape vers la qualité" - 04/10/2007

2

STUDENT'S POSITION IN SCIENTIFIC COMMUNITY

Students in all levels of administration

Flexibility in curricula

No tuition fees
 → student more than a customer

All students belong to the Student Union
 → students' trustee
 Almost all students belong to a Student Association (in disciplines)

Culture of academic freedom
 → student's freedom of choice

Student Union

SA	SA	SA	SA	...
----	----	----	----	-----

Students are members of the scientific community!

BUILDING UP QUALITY ASSURANCE SYSTEMS

1993 - 94

Quality assurance system in teaching in University of Oulu (1. in Finland)

2005

All universities adopted quality assurance systems

By 2010

FINHEEC* will audit all quality assurance systems

STUDENTS' ROLE IS SIGNIFICANT!

FINHEEC has pointed out that students should have a remarkable role in quality assurance.

FINHEEC has supported universities to develop students' role in QA.
 Education project "OOLA" (Student's role in QA in teaching)

* Finnish higher education evaluation council

Séminaire Amue "Evaluation des enseignements et des formations : une étape vers la qualité" - 04/10/2007
